

REVISED AGENDA
WATER RESOURCES ADVISORY COMMISSION (WRAC)
CERP Recreations Master Plan Issue Workshop
South Florida Water Management District
3301 Gun Club Road
B-1 Auditorium
April 28, 2003
9:30 am

The WRAC Issues Workshops are designed to involve members of the public (Stakeholders & Interested Parties) in the process of developing recommendations that will be submitted to the WRAC. The comments received at these workshops form the foundation of any recommendations to be developed by the WRAC. Interested members of the public have the opportunity to sit at the table and engage in meaningful dialogue with WRAC members and agency staff. There will be opportunities for public comment after each presentation.
